Company profile

Kazi Additive Limited is a progressive Bangladeshi enterprise operating at the intersection of modern animal nutrition, industrial polymer packaging, yarn, and daily consumer goods. With our corporate headquarters in Dhaka and an integrated manufacturing complex in Tangail, we serve feed mills, commercial livestock farms, textile producers, and retail consumers nationwide.

Guided by Chairman Maksuda Easmin and led by Managing Director Kazi Salah Uddin, our company pairs exclusive international formulations such as German feed additives from Dr. Eckel Animal Nutrition with disciplined domestic production.

Three core divisions

Feed & Additives	Authorized partner of Dr. Eckel Animal Nutrition GmbH & Co. KG (Germany): phytogenic feed additives and toxin binders for poultry, dairy and aqua feed mills, plus premixes, minerals, feed ingredients and PP woven packaging.
Kazi Yarn Industry	Dyed, multi-filament and specialty yarns for textile makers.
Kazi Consumer Products (FMCG)	Manha and Léya soaps, face washes, shower gels, hand wash, detergent and home care products.
